II. TASK FORCE REPORTS
a. Domestic Violence Task Force

The Domestic Violence Task Force team has been working on getting more community members involved in finding solutions to the major challenge that our refugees face, finding more trauma informed resources, and more awareness and education efforts on domestic violence dynamics and cycles. New members joined us from IRC, San Diego Youth Services and ResCare. At the beginning of May, Alliance for African Assistance was awarded a mini grant that allowed them to conduct three 40 hour trainings on mental health interpreting, which will be an excellent resource to find well trained trauma informed interpreters for DV cases when needed. On August 8th 2015 Center for Community Solutions and License to Freedom participated in providing presentations on DV 101, Role of an Advocate based on Trauma Informed Care Model and working with Refugees DV victims. Also, on October 13th 2015 Center for Community Solutions provided a second presentation on the same topic. In our last meeting in October 2015, the main focus was on collecting updated and current statistics on DV incidents, calls, prosecuted cases, DV detectives, DV cases denied for all San Diego and for East County in particular. This will help us as a Team to address each barrier that faces our job as service providers and in coming with policies or solutions. We also covered the importance of Cultural Challenges and how we can provide Culture Sensitivity trainings to Law Enforcement DV Task Force meeting schedule has been changed to be on the first Tuesday of every other month from 10:00 – 11:00 and we have been meeting at License to Freedom office.

c. Health Task Force

No expenses have been incurred.

Some of the organizations who participated are: Karen Organization, Project Shine, Nile Sisters, County of San Diego, Planned Parenthood, Community Health Improvement Partners (CHIP), Mental Health America, Grossmont College, Cuyamaca College, Survivors of Torture, Alliance for African Assistance, Center for Community Counseling Engagement, Scripps Wellness Center, Women Infant Children (WIC), UPAC, Language and Cultural Solutions, International Rescue Committee, and Somali Family Service.

Through the course of this year, the HTF has discussed and prioritized one major issue that permeates all areas of health for the refugee population:

- Health literacy:
  a) Assessment of the health care system: What is already out there through other agencies to address these concerns:
     - On April 10, 2015, HTF took a tour of the 211 call site to determine what language services they can offer when people call in for services that speak other languages.
     - On May 4, 2015, Kristin Garret and Emilie Dang presented to the HTF on (Community Health Improvement Partners) CHIP’S work on Health Literacy in San Diego.
     - On September 11, 2015, Ismael Cortes, presented on Project SHINE and the classes they teach for Refugees through Cuyamaca College. There are modules specifically toward health, proper nutrition, and doctor appts, hospital stays, and taking medications, etc.
     - Christine Murto, Refugee Health Coordinator for the County of San Diego shared that health screening for refugees will now include Mental Health; PTSD, anxiety and or depression with the PHQ2 and PC PTSD assessment forms and the refugee will be referred to a mental Health provider if needed.
     - CDC website has many useful and user friendly sites in many different languages on health issues , i.e. flu, communicable diseases, preventative measures for spread of germs, tuberculosis, etc.
     - San Diego County News Center offers emergency information in ASL and Spanish and has developed a system to get the emergency updates to other communities through designated key leaders in other refugee communities. October is Health Literacy Month and County has useful resources on their website.
b) Communication and language translation for health issues, particularly Mental Health and access to medical appts due to language barriers:

✓ On 6/23/15, Betsy Knight gave a presentation to Refugee Forum on “Trauma Informed Services for Refugees”.

✓ The Alliance for African Assistance offered a 40 hour course on Mental Health Interpreting to become trained in the skill of interpreting in Mental Health settings. This course was offered three times during 2015.

✓ On July 21, 2015, the Refugee Forum presented a panel of County programs to discuss and educate members on various County programs who may work with refugees; Child Welfare, Public Health Nursing, Refugee Health program, refugee employment services, County clinic services.

c) Lack of knowledge of Health Care system in USA; navigation through the MediCal insurance application and implementation of which plan to choose.

✓ HTF is presently working on streamlining and developing a logic model to assist refugees with their navigation through the MediCal application and choosing a medical plan which best meets their needs. Bonnie Copland and Christine Murto are actively involved with this process and will report back to task force at December 2015 mtg.
d. Asylum/Asylee Seeker Task Force

Due to a transitional period, the Asylum/Asylee Seeker Task Force did not meet this year, but will be revamped for next year.
III. Events
a. World Refugee Day

Planning for the World Refugee Day 2015 celebration began in February 2015. The World Refugee Day 2015 Event Planning Committee members are representatives from various organizations serving refugee populations in San Diego, including the County of San Diego, International Rescue Committee (IRC), Catholic Charities, Chaldean and Middle Eastern Social Services, El Cajon Collaborative, United Nations Association of the United States of America, and Karen Organization of San Diego. San Diego Refugee Forum (SDRF) sponsors the event, and the total cost for the World Refugee Day 2015 was $2,443.51. Since 2011, SDRF has held its World Refugee Day events in Balboa Park, Museum of Photographic Arts, and the Jacob Center. In 2015, the Planning Committee decided to hold this year’s event in city of El Cajon for the first time. El Cajon has resettled not only the largest number of refugees in San Diego County but in the entire state. The event was held on June 20, 2015 from 9:30 AM - 12:30 PM at the Prescott Promenade Park at 299 E Main Street in El Cajon.

By sharing with attendees many contributions of our refugee community members, SDRF aimed to create a better understanding among community members vital to strengthening community relationships and creating more welcoming community. The World Refugee Day 2015 celebration combined educational material and cultural performances to create a culturally vibrant atmosphere. We had about 200-300 participants the day of the event, many of whom were refugee community members.

The World Refugee Day 2015 started at 9 am with speech by Kathi Anderson, SDRF Chair, and two guest speakers: Star Bales, El Cajon City Councilmember, and Maryam Sattar, a Refugee community member. In 2014, Maryam received a SDRF award to recognize her success by overcoming challenges and achieving significant goals as a newly arrived refugee. Programming included traditional dance and music programs presented by local refugee performers, refugee youth panel, activities for children, resource tables by SDRF member organizations, and documentary film screening. The World Refugee Day 2015 event also included refugee owned businesses selling their craft merchandise. These components provided attendees a multi-dimensional experience that familiarized them with the culture and experiences of the newer members of their community, what brought them to the United States, and the many contributions they make to their new home community.

(1) Cultural Performances

The World Refugee Day 2015 included 6 cultural performances from various countries: the 5 Star Girls (Iraq/ Lebanon), Karen dance and music performances by the Karen Organization of San Diego, Peace Band (Iraq), Cuban music performance by Pablo Ernesto Mori, and Iraqi music performance by Samer Samouel.
(2) Refugee Youth Panel by IRC Peacemakers and Vietnamese Panel

As educational components of the event, we had a Refugee Youth Panel. Three students from Iraq, Burma, and Bhutan shared their stories as refugees and their struggles and successes after their resettlement in San Diego. They are members of the IRC Peacemakers. Panel discussion was followed by Q&A sessions.

Also, to recognize the 40th Anniversary of Fall of Saigon, we had a speaker from the Vietnamese community in San Diego to share stories from the Vietnamese community in San Diego. San Diego started to be a refugee resettlement hub due to this event.

(3) International Food and Craft Market

With more than four craft vendors from Iraq, Somali, and Karen refugee communities, the World Refugee Day event hosted an international market. No food vendor was available this year. We would like to invite more vendors for the World Refugee Day 2016 event.

(4) Resource Tables by SDRF Member Organizations
There were 17 organizations participated the event by hosting resource tables. They are: Alliance for African Assistance, Cajon Valley Union School District, Caldean Middle Eastern Social Services, Catholic Charities, County of San Diego, Episcopal Refugee Network, Karen Organization of San Diego, International Rescue Committee, Jewish Family Service, La Maestra Community Health Center, Molina Healthcare, Neighborhood Health, Nile Sisters, Partnership for Advancement of New Americans (PANA), San Diego Metro Career Center, Survivor of Torture International, and United Nations Association of the United States of America.

2. Outreach Efforts
Outreach for the World Refugee Day 2015 celebration was conducted in a variety of ways to reach communities in San Diego as well as the San Diego County community at large. Press releases were sent to media outlets that reach communities throughout San Diego County. Event flyers were posted on the event Facebook page and made available at local businesses in city of El Cajon as well as surrounding communities. Event announcements were sent to agencies, organizations, schools, colleges, and supporters of the San Diego Refugee Forum’s member organizations. Also, event information was posted in local media’s online calendars: San Diego Union Tribune, San Diego Readers, City Beat, and KPBS. Press coverage can be found at the following link:

(San Diego, CA) May 14, 2015—The San Diego Refugee Forum is excited to host a World Refugee Day Celebration in honor of the annual World Refugee Day. The event will be held on June 20, 2015 from 9:30 AM - 12:30 PM at the Prescott Promenade Park at 299 E Main Street in El Cajon. This exciting event connects the many communities that coexist in San Diego, highlights the struggles and resilience of refugees thriving in their new homes, and showcases the rich cultural features of our community through performances, food, music, panel presentations, youth activities, traditional arts and crafts, and interactive activities.

In recognition of the refugee experience, World Refugee Day commemorates the strength and courage demonstrated by refugee communities around the world. There are approximately 51.2 million displaced refugees who have fled their homes as a result of persecution, conflict, and violence. San Diego happens to be home to one of the largest refugee populations in the United States.

This year’s World Refugee Day Celebration event will showcase the diverse community of refugees who have made San Diego County their home. The event is being held in El Cajon, which has resettled not only the largest number of refugees in San Diego County, but in the entire state. Attendees will have the opportunity to experience aspects of almost every refugee culture found in San Diego as they walk through the park. The event allows visitors the chance to view traditional performances from Iraq, Burma, Senegal, and other ethnic communities in San Diego, taste delicious foods from around the world, and enjoy cultural arts and crafts. There will also be resource sharing from San Diego Refugee Forum members and organizations active in the refugee community. It will be a memorable event that exhibits the contributions made by refugees to enrich the lives of San Diegans.

We invite you and your family to participate and attend this free event that is open to the public. Come discover the vibrant refugee communities of San Diego and those that have the privilege of working with them.

Welcome to San Diego’s World Refugee Day 2015!

The Japan Association for Refugees (http://www.refugee.or.jp/en/) is visited San Diego from February 9-11, to conduct a study tour in an effort to advocate for refugee resettlement and asylum programs in Japan and Korea. Japan is the first country in Asia to become a resettlement country, and Korea announced that they will now be the second, and they are conducting research as they construct their new program.

As a part of the study project in San Diego, the JAR delegate had a round table meeting with members of the San Diego Refugee Forum to see how in San Diego, County HHSA office refugee resettlement agencies, community based organizations, and other service providers are collaboratively working together to support newly arrived refugees and asylum seekers/asylees.
The Refugee Forum’s August general meeting was extended by one hour to include a dialogue on Legal and Ethical Aspects of Refugee Assistance Programs within the U.S. with five delegates from the country of Georgia.

   - General Introductions
   - Ute Maschke (vice-chair) welcomed new members. As of today, we have 9 renewed or new memberships. All attendees and supporters of the refugee community are encouraged to become members of the forum. Members will be featured on the website and can participate as co-chairs in the task forces.
   - Refugee Forum Officers Kathi Anderson and Ute Maschke are in attendance. Nawal Alkatib (Treasurer) and Carmen Kcomt (Secretary) are absent due to vacation and illness, respectively.

3. Task Force Updates:
   - Health Task Force: The task force met for a review of last year’s activities (including the very successful “Happy & Healthy” health fair) and for some preliminary planning of new activities. Enlarging the health fair is one of those plans, and there are some other plans. So please join the task force to learn more and to contribute with ideas. The next meeting is scheduled for February 6, 3:30pm, at the Karen Organization. At that time, task force members will determine the agenda for the year and have a chance to determine the best meeting time (since Friday afternoons might not work for everyone). Please contact Bonnie Copland, if you want to be on the task force’s email list.
   - Employment Task Force: We are looking for new co-chairs and new members. Please contact Carlos Mendez if you are interested.
Domestic Violence: The task force met last week (as always, on the second Monday of the month) and reviewed the achievements of 2014. Members are currently setting the agenda for the year which will include raising awareness, strengthening the role of advocates, reaching out to agencies that work with refugees, and preparing flyers for service providers. Please send volunteers. A curriculum for a short training module for selected candidates is also being developed.

Asylee/Asylum Seeker Task Force: The asylum seeker/asylee task force met for and continued their work on asset mapping, a gap analysis and a priority/feasibility matrix for asylum seekers. This project will continue into the next meeting and lead to a decision what to do next in response to the analysis. Please keep an eye on forum email announcements for the next meeting.

World Refugee Task Force: Nao (chair) is currently looking for a co-chair. The task force should start meeting in February and needs all the help possibly available. World Refugee Day is June 20th (a Saturday).

5. Other Updates

Resettlement Agencies (formerly VOLAGs)

- Alliance for African Assistance: arrivals from (mostly) Iraq but also from Afghanistan. We also welcomed some parolees, and there is talk that Syrians will be coming.
- Catholic Charities: arrivals are lower; much lower than anticipated. Arrivals are primarily from the Middle East. We had some arrivals from Burma and Afghanistan.
- Jewish Family Service: No one present to comment
- IRC: We have been busy and resettled a rather high number of refugees (251) during the first quarter. So far, we have 50 arrivals for January, from Iraq, Somalia, and Afghanistan.

County Agencies/Committees

- County: The county is working on a new initiative focusing on Mental Health, including strengthening the health assessment, training on trauma-informed care, and developing activities. At this point in time, we are focusing on training for RHAP health navigators (2 hours, at Catholic Charities), but this is only the first step. We could bring the training to the forum is there were enough interest. The county’s child welfare services are reaching out to work with refugees more directly through presentations on childcare laws. We are also available for direct
training at our office in El Cajon.

- State Advisory Committee: No one present to comment.

Jan Spencley provided an in-depth look at the current state of things and outlook on things to come. Please consult the pdf file attached to the minutes for details.

Q&A: The best way to apply for coverage is in person. We know the ins and outs of the system and can help avoid detours and extra challenges. We can also connect applicants to the right resources right away. 211 San Diego is now also doing enrollments online. Coverage needs to be based on the 10 points of minimal coverage, so dental insurance in itself is not enough. Penalties for lack of coverage will go up drastically within the next year(s). The biggest challenge in the next year(s) will be taxes and tax credits related to health coverage.

7. Spotlight: San Diego Refugee Forum

- The presentation has been postponed until February (to allow more time for the Focus discussion).

8. Community Updates

- Nao – KOSD – proudly announced that a newly established Japan Association for Refugees will visit San Diego to learn from San Diego resettlement programs for Karen Refugees – and from the Karen Organization. Japan will be the first resettlement country in Asia (soon to be followed by Korea), and the association heard about San Diego and its well-developed collaborative network supporting refugees. They will visit February 9 – 11, and want to meet with representatives from the community February 9th, 10 am (building across from the Karen Organization, where IRC is, too). Please join us in learning from each other.

- Nile Sisters has an upcoming Health Insurance Enrollment event January 31sr, 10 AM – 4 PM. We will have counselors ready to work one-on-one, in several languages: English, Arabic, Spanish, Burmese, and Swahili. Location: 6035 University Ave, Suite 22. Contact lbom@nilesisters.org for more information.
- The Legal Network of San Diego County is providing legal assistance to Filipino, Middle Eastern, Vietnamese and Mixteco immigrant and refugee victims of sexual assault, domestic violence, date violence, and stalking. Please contact Anne S Bautista (858)560-0871 for referral to weekly confidential legal intake clinics.

- The Urban League of San Diego County is offering *Pathways* of opportunities for youth between the ages of 16 and 21. There are training sessions on job readiness, resume writing and interview preparation, job and internship placement assistance, completing High School or GED as well as financial coaching. Contact Kea Hagan for more information: kea@sdul.org (619)266-6265

- On February 13th, loveyourheartsd.org will offer free blood pressure screenings at various locations countywide. For more information contact the organization or call 2-1-1.

Kathi Anderson encouraged attendees to complete the survey: [https://www.surveymonkey.com/s/XGSQXVB](https://www.surveymonkey.com/s/XGSQXVB).

Please contact Bonnie Copland or Dianne Borque, if you want to be on the task force’s email list.

- Employment Task Force: During our most recent meeting, we elected new co-chairs: Mohammed Tuama and Deona Dorsey. (A big “Thank you” to the previous co-chairs, Carlos and Sophie!)
- Domestic Violence: The task force meets every other month, so there are no updates yet. Our goals are to provide more training for volunteers and translators on trauma-informed services. The next meeting will be at License to Freedom.
- Asylee/Asylum Seeker Task Force Carin Anderson, co-chair):
  The asylum seeker/asylee task force set goals for this year. We will focus on looking into housing alternatives, educating professionals, and establishing a CCA tour. Please keep an eye on forum email announcements for the next meeting.
- World Refugee Task Force: Nao Kabashima and Mohammed Tuama will co-chair the taskforce.
  During our meeting we discussed this year’s location. We will hold the event in El Cajon, on June 20th, but haven’t decided on the actual location yet. We want the event to be open and more public. Please join us for our next meeting, March 9th, 3 – 4 pm. The location for the meeting will be announced through email.

   - Catholic Charities: 47 arrivals in July so far (Congolese, Somali, Iraqi). About a week ago, all the
VOLAGs had a conference call with the U.S. Department of State’s Bureau of Population, Refugees, and Migration (PRM). This will result in high arrivals over the next two and half months. PRM anticipates 6,000 arrivals throughout the whole month of July, 7,500 in August and 10,300 in September. Larger numbers of Burmese, Bhutanese, Iraqi and refugees from several African countries (1,000 more than projected) are expected. In response to this bulge, all stakeholders are urged to prepare community partners, such as the local health department, for an increase in arrival numbers.

- **David Murphy (IRC):** David led a discussion and provided some information on the status of refugee resettlement given the attacks that occurred in Paris over the weekend. There has been serious backlash and anti-refugee rhetoric in the United States and around the world in regards to resettling Syrian refugees. Already in the United States 27 governors have said their states will not accept refugees and many other politicians are trying to defund the resettlement of Syrian refugees.
- The United States has agreed to resettle 85,000 refugees this year, 10,000 of which should be coming from Syria. It is important to remember that the refugees that are resettling in the United States are the most vetted in the world. The United States has the most thorough and comprehensive background and security checks for refugees in the world. It is a process that takes a year and half to two years.
- San Diego is expected to receive about 300 Syrian refugees this year
- Jessica Mier from Congresswoman Susan Davis’s office informed the Refugee Forum that the office has been receiving many phone calls that are anti-refugee. b. Executive Committee Meeting Minutes

Thursday, January 8, 2015 10:00 – 11:00 am
Catholic Charities, San Diego

   a. Kathi opened up a conversation regarding the State’s training academy, we had comments about the registration fee amount and other expenses that have to be covered by the participant. We still have many questions with no answers, the theme and topics are unclear, we do not know the dates and place for the event. We will present the topic in the General Refugee Forum when we receive clarifying information. Kathi will follow-up with the State.
   b. Presentation - Jan Spencley from San Diegans for Healthcare Coverage will be presenting. Kathi will inform her that she has 45 minutes for the presentation and 15 minutes for questions and answers.

2. Kathi also commented that the presentation is timely because February 15 is the deadline for health care enrollment and there will be an increase in penalties for those who don’t enroll.

3. Spotlight - Internal business of Refugee Forum

4. Next meeting will be at Alliance for African Assistance. Other venues such as the new City Heights Y and Faith Lutheran are being pursued. Criteria for new location includes: adequate parking, centrally located, large enough room to accommodate different seating arrangements, A/V tech capabilities and availability on a consistent basis. The Mission Valley Public Library is not open until 11:30 on Tuesdays per Ute.

5. Website - Ute said that soon the hosting website will be free.

6. Nawal gave each member a copy of the 2014 financial report. Kathi suggested some minor additions and changes and she also congratulated Nawal for the good work.

7. Britney is working on the annual reports that will be sent via email to the membership.

8. Task Forces - Conversation regarding if is necessary to meet with Task Force co-chairs half an hour before every General Meeting. We exchanged ideas and concluded that is not necessary to meet with task force 30 minutes before the general meetings because task force co-chairs can request a meeting if they need it and vice versa. Carmen has asked if the co-chairs of the task forces are permanent members or they are up for elections every year, then we talk that
may be good not only to ask for reports from the TF but to also try to motivate other members to get involved in TF.

9. Ute is working on connecting with SAY San Diego to be the fiscal agent for the Refugee Forum. In the meantime, it is still with Somali Family Services.

10. A Survey Monkey is being designed and will be sent to Refugee Forum members before the next meeting to ask for input about what they would like to see happen in the forum this year. It will be sent for a total of 3 times to increase response rate. Last year, the response rate was high and enough ideas were generated to establish a full calendar of presenters and spotlights.

Respectfully Submitted,

Carmen Kcomt

Secretary

7. The website is going through updates to better serve the community. We might integrate a page for volunteer opportunities.
8. Finances are in order. We would like to learn and understand better why some organizations request a W-9 form. We will inquire through email.
9. Lenore Lowe of Nonprofit Management Solutions has agreed to assist the Forum with by-laws’ revisions when the officers are ready to take on this task.
10. Membership list was distributed by Nawal: 2 new members. Also, current balance: $10,238.13.
Thursday, April 9, 2015, 11am-12pm
Refugee Services, Catholic Charities, San Diego

Present: Kathi Anderson, Nawal Alkatib, Ute Maschke, Abdi Abdillahi, Madelyne Wagner

1. Review of monthly presentation schedule:
   - April: Cultural Competence (presentation by the county)
   - June: Refugee Recognition
   - July Overview of Health Care Plans (Panel with Molina Healthcare, Community Health Group, Health Net and Care 1st)

2. Special Presentation: Trauma-Informed Care training with Betsy Knight from San Diego County tentatively planned for the month of June. Ute will try to schedule a room at Price Charities.

3. Email announcement will be sent out for Refugee Acknowledgement for World Refugee Day. The number of refugees to be acknowledged is to be determined.

4. Participation in the December Refugee Academy will be presented to paying forum members once the agenda for the event is released.

5. Forum officers have decided that a fiscal agent would not be a sufficient use of the Forum’s funds. The Refugee Forum is not a 501[c]3 and therefore cannot provide a w9 to paying members, but receipts and invoices can be generated for payments.

6. The Refugee Forum meeting minutes will be used for members who cannot attend meetings because technology may discourage members from attending the forum, and attendance is essential to the Forum’s mission.

Next Meeting: Thursday, May 7th, 11am-12pm @ Catholic Charities
Present: Kathi Anderson, Nawal Alkatib, Ute Maschke, Abdi Abdillahi, Madelyne Wagner

1. Special Presentation: Trauma-Informed Care training with Betsy Knight from San Diego County on June 23rd at Price Charities.
   - RSVP is strongly encouraged and will be sent to Madelyne Wagner at Madelyne@alliance-for-africa.org
   - Mental Health First Aid training will be mentioned as a complimentary training to expand knowledge on the subject of trauma-informed care.

2. May 19th Refugee Forum Meeting Presentation: Panel of Refugee School Impact Grant recipients (Cajon Valley Union School District, Grossmont Union High School District and San Diego Unified School District). Each panelist will answer the same five questions and provide an introduction to their district.
   - Briefly explain the district
     i. Union vs. Unified?
     ii. What does the grant look like for the district?
     iii. What is the target population?
     iv. What specific goals did the district set?
     v. Summer program?
   - What is the district’s history with the refugee school impact grant? Have you previously been awarded the refugee school impact grant?
   - What are the district’s objectives for this grant? What are the anticipated outcomes and what is the action plan to achieve these goals?
   - What are the biggest challenges? What are your best practices?
   - How does the district envision engaging with the refugee forum and its members?

3. The spotlight for the May 19th Forum meeting will be Center for Community Solutions.

4. There are three new memberships for the month – Central Region Career Center, UPAC and Crittenton.

5. Forum officers would like to create a space for Forum members to share their opinions on the
presentations at the monthly meetings on the Refugee Forum’s website. The goal of surveying the Forum members would be to better gear the presentations toward the community serving refugees.

6. Another email announcement will be sent out for Refugee Acknowledgement nominations for World Refugee Day.

Next Meeting: Thursday, June 4th, 11am-12pm @ Catholic Charities
Present: Kathi Anderson, Nawal Alkatib, Abdi Abdillahi, Maggie Fern, Ute Maschke

1. Special meeting on trauma-informed services
   - We agreed to reach out to the El Cajon Collaborative and other community partners.
   - Kathi will send out another reminder to the listserv, emphasizing that we would appreciate RSVPs and that the event is open to the public.
   - We will provide plastic cups for the event; there is a water cooler in the room. Nawal will get the plastic cups.
   - Set up has been confirmed with Price Charities.
   - Kathi will check with Betsy on equipment. (Betsy will have to bring her own laptop.)

2. Nominations for the award ceremony during our meeting June 16th

3. Website
   We briefly discussed the state of things as far as the website is concerned. Brittney will provide all new officers with access (user name, passwords, etc.) and will contact GoDaddy for possibly setting up email accounts through them.

4. World Refugee Day
   - Kathi mentioned that Nao will most volunteer as a co-chair. We agreed that planning should start soon.

5. Location of General Meeting
   - Brittney graciously offered AAA’s meeting room for next year; the January meeting will take place there.
   - We might look into other (larger) spaces that would allow us to get away from theater-seating. The Family Health Center on El Cajon Blvd. might be a possibility; we will look into it. (See # 8 below).

6. We discussed the following issues, based on Kathi’s inquiries:
   - According to the by-laws, the executive committee has six positions (four officers, the county’s refugee coordinator, and a member-at-large). We didn’t have a member-at-large in 2015 but will revisit (the need) this position once goals and objectives for the next year have been determined. A “social media person” might be a good candidate.
   - The task forces each have a chair and a co-chair. Only members of the forum can become chairs. Currently, co-chairs for the employment task force have to be newly elected. Task forces, their co-chairs, and their activities will also be featured on the website. Task forces are also asked to present (or organize a presentation) during one of the general meetings.
   - Finances are currently handled by the treasures (only) but three of us have access to the bank account at San Diego County Credit Union. The account has a little bit more than $9,000. At the
moment, we present financial matters quarterly; there was evidence that membership did increase when we announced less. We might consider 100% transparency by disclosing matters on our website. Monies were spent pre-dominantly for World Refugee Day; each task force also has $500 at their disposal annually, and we awarded five refugees with a check of $100. Nawal will present all financial details during our next meeting. We will need to clarify our policies regarding the handling of financial matters. There should be a segregation of services.

- So far, the fiscal agent has always been the chair’s organization (i.e., Somali Family Services for 2014). We will need to switch the agent. We will consider switching to a more permanent agent, for example Say San Diego.
- We need to announce now that membership fees are due for 2015.
- Terms for officers are staggered. (Ute and Nawal will serve for one more year. Carmen and Kathi will serve for the next two years.) Only the chair is elected by all (participating) members. All other positions are decided by the officers.

7. Open Business
- The Domestic Violence task force requests their $500 for this month, to pay for intensive interpreter training. The training will be held next year; however, the $500 would be invoiced now for curriculum and training preparation.
- The annual report will be compiled by Brittney. All officers will submit materials (minutes, special event reports, etc.).

8. Officer Duties for 2015
- Chair: Kathi Anderson
- Vice Chair: Ute Maschke
- Secretary: Carmen Kcomt
- Treasures: Nawal Alkatib

Of course, these duties only describe the basic roles. Officers plan, advocate, and network collaboratively.

9. Tasks/To-do-list
- Najla will inform forum members and members of the listserv about the new officers and their roles.
- Before the end of this month, Nawal will send out a reminder that membership fees are due.
- Najla and Brittney will provide all 2015 officers with information on passwords (dropbox, website, email accounts).
- Najla will forward survey questions and results to the 2015 officers.
- Nawal will set up a meeting with SD County Credit Union for the morning of December 29th and confirm which documents are required for the transition. (Ideally, we will meet at 9:30 am.) For the time being, Somali Family Services will remain the fiscal agent.
- Ute will re-establish contacts with Say San Diego to initiate discussions about the latter becoming the fiscal agent for the forum.
- The new officers need to decide on a topic for January’s general meeting. Brittney offered to have AAA present on utilities – spending, saving, avoiding scams.
- Ute will check for possible contacts at the Family Health Center and email Kathy.
- All officers have to schedule 1:1 meetings to onboard new officers.

10. New meeting times
- The new officers will meet December 29th, one hour prior to the meeting of old and new officers at the bank. The new officers’ meeting will be at Starbucks, Camino Del Rio North & Mission Gorge. 4262 Camino Del Rio North; San Diego, CA. Ute will send an invitation to Abdi.
- The January executive committee meeting has been scheduled for January 8th, 10 – 11am, at Catholic Charities, 4575-A Mission Gorge Place.

11. Good-Byes
- Brittney and Najla expressed their gratitude for having had the opportunity to serve as officers. Both offered their general availability whenever the new officers were in need.
- Both did an amazing job! Thank you!
